## 'MÉS QUE UN CLUB'

Enter the impressive Camp Nou stadium and you immediately notice the huge 'Més Que Un Club' on the seats of the East stand. 'More Than a Club' acts as both a motto and mantra for FC Barcelona and is a constant reminder of who they are and what they stand for. Founded in 1899, the goal from the beginning was to create a member-led organisation, firmly rooted in the Catalan region's distinct identity, an institution that promotes values such as humility, effort, ambition, teamwork and respect. FC Barcelona is a unique football institution with an iconic stadium and a loyal global following.

«*Som més que un equip de grans estrelles, som més que un camp ple de somnis, som més que els gols que hem marcat i més que els títols que hem guanyat al llarg de la nostra història».*

FC Barcelona

“

*We are more than a team of great stars, we are more than a stadium full of dreams, we are more than the goals we've scored and more than the trophies that we've won throughout our history.”*

FC Barcelona

## «MÉS QUE UN CLUB»

Quan entres a l'impressionant estadi del Camp Nou, el primer que veus és «Més que un club» en lletres grans formades pels seients de la graderia est. La frase, lema i mantra del FC Barcelona, és un recordatori constant de qui són i el que representen. Des dels seus inicis, l'objectiu del Club, fundat al 1899, va ser crear una organització regida pels seus socis, amb una ferma voluntat d'arrelament en la identitat característica de Catalunya. És una entitat que promou valors com la humilitat, l'esforç, l'ambició, el respecte i el treball en equip. El FC Barcelona és una institució futbolística única, amb un estadi increïble i amb seguidors fidels arreu del món.

## MORE THAN A STADIUM

Unable to expand their Camp de Les Corts ground – home to the Club since 1922 – the decision was taken in the early 1950s to build a completely new stadium. Architects Francesc Mitjans and Josep Soteras created a design based on a structure in concrete and steel with two rings of continuous tiers. Construction started in March 1954 and was completed three years later at a total cost of 288,088,143 pesetas. With an initial capacity of 93,053 spectators, it was and is the largest stadium in Spain and remains the fourth largest in the world today. Originally called Estadi del FC Barcelona, it has always been better known by the Catalan term for new ground: Camp Nou, which became the official name for the stadium in 2001.

“*Blaugrana al vent un  
crit valent tenim un  
nom el sap tothom:  
Barça, Barça, Barça!*”

*The official anthem of FC Barcelona in Catalan.*

*Himne oficial del FC Barcelona en català.*

## MÉS QUE UN ESTADI

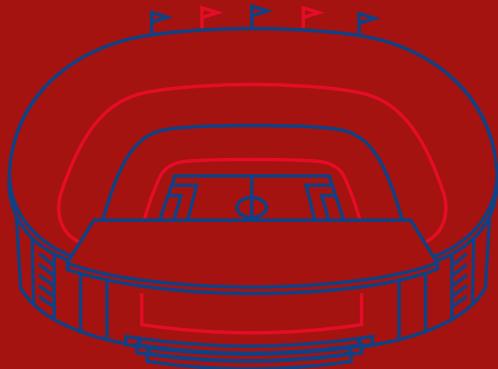

Davant la impossibilitat d'ampliar el Camp de Les Corts (seu del Club des de 1922), a principis de la dècada de 1950 es va prendre la decisió de construir un estadi completament nou. Els arquitectes Francesc Mitjans i Josep Soteras crearen un disseny basat en una estructura de formigó i ferro amb dos anells de graderies contínues. Es va començar a construir al març de 1954 i es va acabar tres anys més tard, amb un cost total de 288.088.143 pessetes. La seva capacitat inicial de 93.053 espectadors ho va convertir al seu moment en el major estadi d'Espanya; encara ho és, i es manté com el quart més gran del món. Tot i que, originalment, es va anomenar Estadi del FC Barcelona, popularment sempre va ser conegut com a Camp Nou, nom que va passar a ser l'oficial de l'estadi al 2001.

## FROM THE DESIGN TEAM

Rok Zgalin Kobe used all his skills as both a trained architect and a senior LEGO® designer to recreate Camp Nou in LEGO elements;

*"I had to reconcile the outer rhythm of the façade with the three-tier seating fitting together nicely. The subtle curves and slopes are recreated using rectangular LEGO bricks and plates. To achieve the curvature of each of the four sides, they are built in sections that connect with one another using LEGO clips. The model comes apart into five blocks allowing for easier transportation."*

## IMPRESSIONS DE L'EQUIP DE DISSENY

Rok Zgalin Kobe va emprar totes les seves habilitats com arquitecte de formació i dissenyador sènior de LEGO® per a recrear el Camp Nou amb elements LEGO: «Vaig haver de conciliar el ritme exterior de la façana amb els tres nivells de graderies perquè tot encaixés perfectament. Les subtils corbes i gradients es van recrear amb bases i blocs LEGO rectangulars. Per a aconseguir la curvatura de cadascun dels quatre costats, es van construir en seccions que es connecten entre si mitjançant clips LEGO. El model se separa en cinc blocs, la qual cosa permet transportar-lo amb més facilitat».

“

*It's often the small, fun details that make the difference. For example, I created the roof structure above the main tribune using LEGO Star Wars™ lightsabre blades and shafts. And on the south side of the stadium we even parked a microscale LEGO FC Barcelona team bus. It's blue and covered with stickers depicting the Barça Barça Barça chant and the Club crest.”*

Rok Zgalin Kobe  
Senior LEGO® Designer

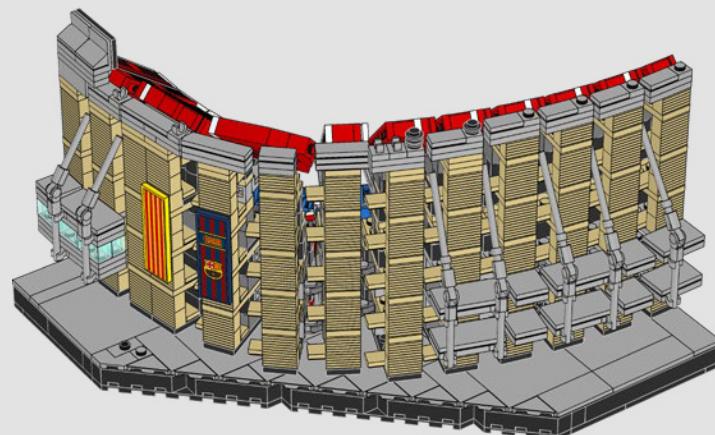

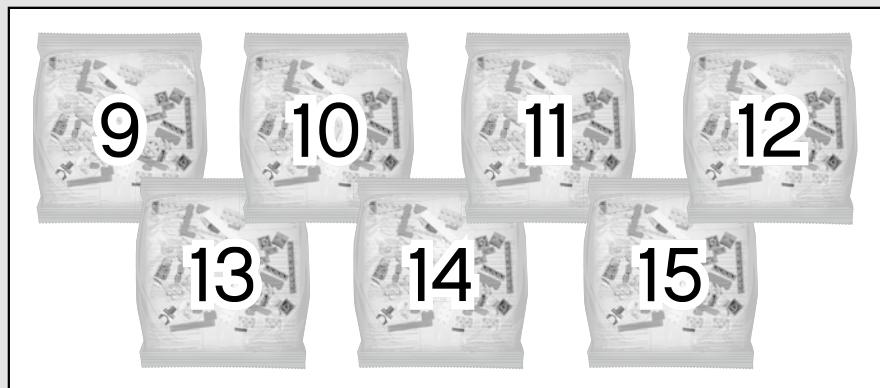

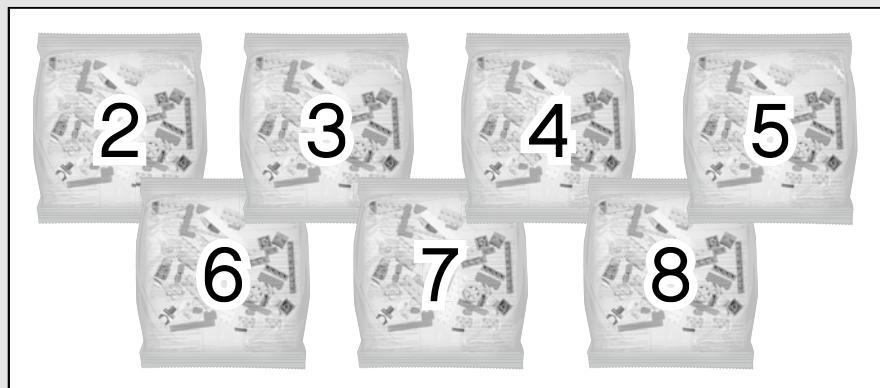

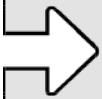

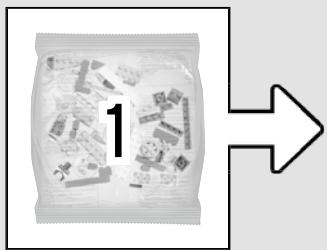

«

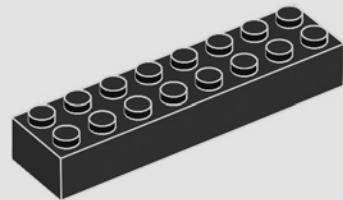

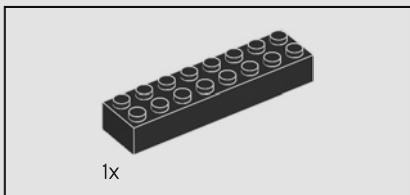

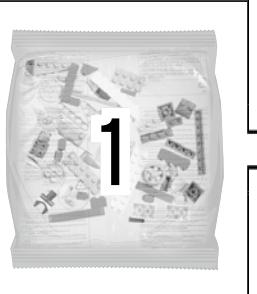

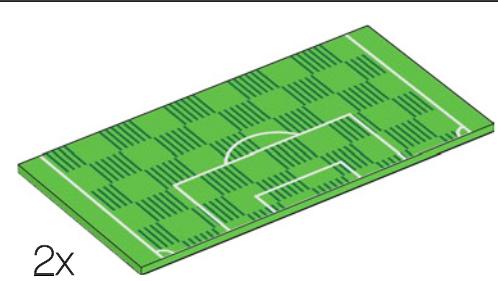

*Amb freqüència, els detalls petits i divertits son els que marquen la diferència. Per exemple, vaig crear l'estructura de la coberta situada sobre la tribuna principal amb fulles i poms de espases làser LEGO Star Wars™. I, fins i tot, al sector sud de l'estadi hem aparcat un model LEGO a microescala de l'autobús del FC Barcelona. És blau i està ple d'adhesius que representen el càntic "Barça, Barça, Barça" i l'escut del Club».*

*El color original dels seients de l'estadi era el mateix vermell primari que el de l'escut del Club. A causa de l'acció dels elements atmosfèrics, ara sembla més fosc.*

The east side seating of the stadium is called the Lateral and is recognisable by the huge 'MÉS QUE UN CLUB' slogan made of yellow seats amongst the blue.

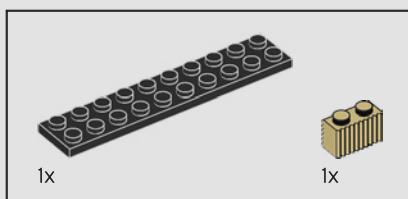

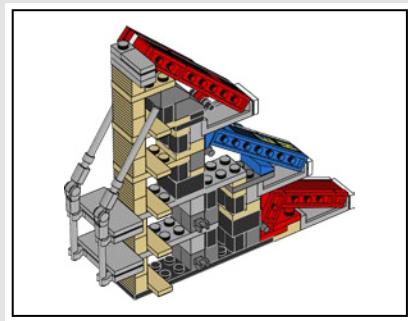

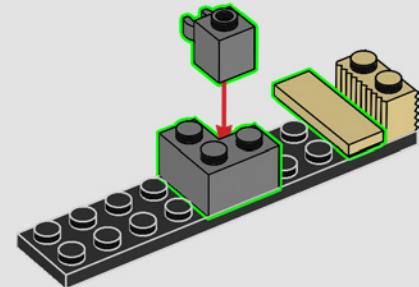

La zona de seients ubicada al costat oest de l'estadi s'anomena «Tribuna»; allà pot veure's en grans lletres grogues el nom de l'entitat: FC BARCELONA.

La zona de seients ubicada al costat est de l'estadi s'anomena «Lateral» i es reconeix a l'instant per l'enorme lema MÉS QUE UN CLUB que dibuixen els seients grocs en contrast amb els blaus.

In 1910, the board organised a competition to find a new Club badge. The winning entry, with one or two variations, has survived until the present day.

El 1910, la Junta Directiva va convocar un concurs per a triar un nou escut per al Club. El disseny guanyador, amb poques variacions, ha arribat fins als nostres dies.
